LATROBE THEATRE COMPANY INC.

July/Aug./Sep. 2006

Judy's Jottings

Hello fellow LTC members and theatre lovers.

The Committee is busy as always, with the company's show launch happening **THIS FRIDAY** at 7.30 pm at the Morwell Club. So, "gussy up" and join us for a fun night. As you already know, our 2007 show is *The Wizard of Oz*. It promises to be exciting, but first

Into the Woods

The *Into The Woods* Production team met with the Committee on Monday, 11th September for a post-show de-brief and discussion. was a fantastic show and highly commended by all who saw it.

This production presented a different kind of challenge to the Production team, crew and cast, and the audiences were not disappointed. As always, there are lessons to be learnt from a show, particularly when we try something a bit different, and there are many positives to carry forward to the next production. *Into The Woods* has set a very high standard to follow and the company is rising to this challenge with *Joseph*. Congratulations and thank-you to all involved with *Into the Woods*.

Joseph and the Amazing Technicolor Dreamcoat

Rehearsals are going very well with the cast working hard and rehearsing three times each week. *Joseph* promises to be bright and exciting with fast-paced, energetic and fun dance scenes and a moving storyline. With around 30 children in the cast, the Production team members need medals for their organising skills and patience (although it's not always the children who are chatting!). With the introduction of voice-saving whistles, the team have their huge cast well under control and on a steep learning curve to meet the show's tight rehearsal schedule, whilst ensuring that everyone enjoys the process.

The Joseph Production team: Glenn Ross, Christine Skicko and Penny-Lee Tomkins

Show Dates: November 8, 10, 11, 12, 16, 17, 18, 19, 23, 24, 25.

'The Wings'

Unfortunately we have had another break-in. The Company will install security grills over all windows and doors to deter these vandals.

Chris Ross has agreed to take on the role of cleaner, but if you are using the venue, please tidy up after yourself. If you take something into the hall, please take it out again as Chris' role is to clean the hall itself, not tidy up after us! Thanks Chris.

Piano Trolley

Cattanachs have designed a trolley to transport the piano from room to room and from 'The Wings' to the theatre and other places as necessary. As the piano can be played on its trolley, the OH&S issue of lifting the piano will be addressed.

GAT Night

Saturday, 9th December at the Moe Town Hall. More information closer to this date, but please put it into your diary now.

Social Stuff

Sunday, 10th December: Traralgon Races. There will be a **LTC** marquee. BYO food and drinks.

Birthdays

As there has been a bit a gap between *StageWrites*, some birthdays are now a little belated. Happy Birthday anyway and hope your special day was a fabulous one.
